Carol,

Truthfully I can say it has been more than a pleasure having you in the family and being my niece. You have meant as much to me as my sisters have. I guess the reason for that is we've grown up together. And I do hope you will never forget all the wonderful times we've had. Of course we've had our share of fusses and fights but those are only natural. As we've been growing up I'm sure neither of us have given a thought to our leaving each other. But needless to say we've flipped another page of life and here we are. I do hope we will be seeing lots of each other this summer.

Don't ever forget all the times we've had at the ballgame and movies and spending the nite with one another. Gee those were our good ole days.

Carol I hope you will just stay the way you are. You've got many talents and I do hope you'll use them to best advantage. They'll get you places if you'll use them in the right way. You're a very sweet, nice, pretty and charming person. I also wish you the very best in life. You deserve it. And do go on and finish high school and go to college. Always remember there's a way provided for all good things. Just always be good and you'll lead a charming life. Life is wonderful. Always remember me and may God's wonderful blessings abide with thee. Love, Coach

Carol,

Words can't express the depth of my feeling for you. You are a friend to be proud of.

Never forget our feeling of being outcast after Mr. Rice got through with us. Also remember the day we got cheerleading and all the wonderful times we had later at the ballgames and on the bus. Always remember our days as Freshmen and taking band together as well as all the trips to Winston, Greensboro, and Reynolds Park and all the boys. Always remember these things and above all. Remember me as a friend.

May the next three years be as much fun as the last two and our friendship as deep. May we both continue to enjoy so many of the same things, same people, same likes and dislikes as we do now.

School is almost out but may our friendship continue to grow ^{as} before.

As I said many times before, "Ugly, you're a doll. You're a pal."
